ANTECEDENTES

This course is meant to enhance the quality of benchmarking outputs by providing the basis of harmonizing approaches among assessors using the GBT (Global Benchmarking Tool) to benchmark regulatory authorities.

OBJETIVOS DEL EVENTO

- Contextualise the WHO benchmarking activities;

- Describe the Regulatory Systems Strengthening programme and its key activities;
- Acknowledge the benchmarking process and its steps;
- Review the structure of the Global Benchmarking Tool;
- Interpret the scoring system and apply it accurately;
- Use the computerised GBT effectively;
- Perform root cause analysis by applying the general principles of risk-based approach;
- Draft effective reports and present results;
- Explain the importance of enhancing soft skills to manage benchmarking activities, and conduct interviews.

CONTENIDO Y ESTRUCTURA

This training is developed for WHO assessors using the Global Benchmarking Tool (GBT) to benchmark Regulatory Authorities. In line with numerous inputs received during the development process of the GBT on the need of enhancing the benchmarking process in terms of consistency and reliability, the WHO Regulatory System Strengthening (RSS) team developed a number of documents and mechanisms, aimed at enabling the harmonization of approaches and the reliability of benchmarking outcomes.

METODOLOGÍA

Approximate course duration: 3.5 hours.

Languages

This course is available in the following languages: [Français](#) | [Español](#)

Content Warning: This course may contain images, videos, and multimedia materials related to healthcare that may include graphic depictions of medical

conditions, surgical procedures, and other clinical content. These materials are intended for educational purposes to enhance understanding of real-world medical scenarios and are essential for the comprehensive learning experience.

Viewer discretion is advised. If you find any content distressing, you may pause or skip the material as needed.

PÚBLICO OBJETIVO

The course is targeted to all GBT assessors, independently on their qualification status (experienced/beginner), who are requested to attend this training before being involved in benchmarking related activities.

INFORMACIÓN ADICIONAL

Assessment & Awards

You will receive a Confirmation of Participation upon completing all the modules in this course. Please note that this award does not serve as a professional qualification.
