| Precio:                                                   | 0,00 US\$                                                                                                                                                                           |
| Correo Electrónico del Centro de Coordinación del Evento: | hiroshima@unitar.org                                                                                                                                                                |
| Colaboración:                                             | City of Hiroshima, , Hiroshima Prefectural Government                                                                                                                               |

### OBJETIVOS DEL APRENDIZAJE

The 4 principal attainment targets are to: -

- Understand the fundamental concepts, opportunities, challenges, and ethics of generative AI, and how they relate to the achievement of SDGs.
- Explore various AI tools and their roles in art and digital storytelling.
- Incorporate various AI technologies and generative AI to craft meaningful digital stories.
- Gain direct insights from actual experts on how to present digitized stories.
