### ARRIÈRE PLAN

The Applied Experiential Learning (AEL) Department through the University of Doha for Science & Technology (UDST) Continuing Professional Education (CPE) Directorate will host a training session entitled 'Pillars of Teaching Excellence' for new and seasoned educators to equip them with the essential tools and fresh insights to elevate their teaching and enhance student success.

## OBJECTIFS DE L'ÉVÉNEMENT

By the end of this training session, participants will be able to:

- Explain the University's commitment to the UN Sustainable Development Goals and the 2030 Agenda.
- Identify each of the 5 pillars of teaching and learning and recall their key components and principles.
- Explain the role of each pillar in supporting effective teaching and student learning.
- Discuss how these pillars interrelate to create a cohesive teaching approach.
- Demonstrate the ability to apply strategies from each pillar by developing a sample lesson plan that incorporates effective planning, instructional techniques, assessments, and classroom management approaches.
- Identify the core D2L course management features, such as course setup, content organization, gradebook configuration, and communication tools.
- Explain how each course management feature contributes to an organized and accessible online learning environment for students.
- Demonstrate proficiency in organizing course materials by uploading content, setting up modules, and configuring course navigation to enhance usability and accessibility for students.
