### ARRIÈRE PLAN

Held in celebration of the International Day of Innovation (April 21), this specialized workshop was co-organized by CIFAL Saudi Arabia and the King Salman Humanitarian Aid and Relief Centre. It aimed to build capacity in applying innovation methodologies to the humanitarian field. The session replaced a

planned panel to better meet the demand for interactive, skill-building experiences that promote sustainable, high-impact humanitarian practices.

## OBJECTIFS DE L'ÉVÉNEMENT

- Define innovation in the humanitarian context and distinguish it from development and improvement
- Understand the phases of humanitarian innovation from ideation to implementation
- Explore emerging technologies (e.g., AI, renewable energy, portable medical tools) and their application in humanitarian response
- Learn how to foster partnerships and access resources that support innovation in humanitarian initiatives.

## CONTENU ET STRUCTURE

- Introduction to Humanitarian Innovation
- Innovation Lifecycle
- Innovative Technologies in Relief
- Partnership Models and Enablers

## MÉTHODOLOGIE
