ARRIÈRE PLAN

The course "Enerjisa: A Better and Sustainable Future" was launched in Spring 2025 through a collaboration between CIFAL Istanbul, UNITAR, Bahçeşehir University, and Enerjisa Enerji. Designed to address key sustainability challenges in the energy sector, the course aimed to equip students with both academic knowledge and practical insights. It brought together experts from various sectors to explore topics such as sustainable development, green financing, and

corporate social responsibility, offering students a well-rounded educational and career-building experience.

OBJECTIFS DE L'ÉVÉNEMENT

Understand the fundamentals of the energy sector and sustainability Explore the role of green financing and environmental impacts Analyze corporate social responsibility in energy practices Gain insights from public, private, and civil society perspectives Develop practical skills for career advancement in sustainable development
