Prix:	0.00 \$US
Personne de référence de l'événement:	cifa@unitar.org
Partenariat:	CIFAL Honolulu

ARRIÈRE PLAN

In partnership with the UN CIFAL Honolulu center here on campus, the Chaminade garden intends to illustrate a number of Sustainable Development Goals (SDGs) throughout the event. This will encourage participants to integrate SDG considerations into their own lives, thus pushing us forward towards a more sustainable future.

OBJECTIFS DE L'ÉVÉNEMENT

(1) We recognize our kaiāulu is richly diverse, but our foundation is Hawaiian. Because of this, (2) we hope to leave participants with an illustration of what a worldview rooted in aloha 'āina looks like and how it could come to inform everyday sustainable decision making.

CONTENU ET STRUCTURE

The gardening staff played a game with the 5th graders called “Plant buddies and taught the 5th graders about the circular system and made a kilo board. Students then got to work in garden.

MÉTHODOLOGIE

For this event we hope participants find that service to our 'āina is service to a more just and peaceful world; that our piliina with 'āina is not separate, but integral to our respect for the integrity of creation.

AUDIENCE VISÉE

5th grade students
