## **BACKGROUND**

The Applied Experiential Learning (AEL) Department through the University of Doha for Science & Technology (UDST) Continuing Professional Education (CPE) Directorate will host a training session entitled 'Pillars of Teaching Excellence' for new and seasoned educators to equip them with the essential tools and fresh insights to elevate their teaching and enhance student success.

### **EVENT OBJECTIVES**

By the end of this training session, participants will be able to: • Explain the University's commitment to the UN Sustainable Development Goals and the 2030 Agenda. • Identify each of the 5 pillars of teaching and learning and recall their key components and principles. • Explain the role of each pillar in supporting effective teaching and student learning. • Discuss how these pillars interrelate to create a cohesive teaching approach. • Demonstrate the ability to apply strategies from each pillar by developing a sample lesson plan that incorporates effective planning, instructional techniques, assessments, and classroom management approaches. • Identify the core D2L course management features, such as course setup, content organization, gradebook configuration, and communication tools. • Explain how each course management feature contributes to an organized and accessible online learning environment for students. • Demonstrate proficiency in organizing course materials by uploading content, setting up modules, and configuring course navigation to enhance usability and accessibility for students.
