BACKGROUND

The Equal Opportunity in Technology Project is a groundbreaking initiative designed to increase women's participation in the world of technology and innovation. Developed in collaboration with Bahçeşehir University, Yapı Kredi, CIFAL Istanbul, and UNITAR, this project provides free training for women aged 18-27, focusing on cutting-edge technological fields such as

big data, artificial intelligence, cloud computing, and cybersecurity.

In addition, the program is open to **all residents of Umut Cities**, an initiative by Koç Holding to support communities affected by the **Kahramanmaraş-centered earthquakes**, regardless of gender.

EVENT OBJECTIVES

- To empower women by enhancing their skills in technology and innovation.
- To **bridge the gender gap** in STEM fields.
- To provide **high-quality**, **expert-led training** on **AI**, **big data**, **cloud technologies**, **and cybersecurity**.
- To support earthquake-affected communities by offering equal access to education.
- To strengthen **university-industry cooperation** for sustainable development.

LEARNING OBJECTIVES

- Gain foundational knowledge in big data, artificial intelligence, cloud computing, and cybersecurity.
- Develop **technical skills** to pursue careers in **STEM and digital industries**.
- Enhance problem-solving and analytical thinking for real-world applications.
- Gain confidence in applying **technological tools and methodologies** in various sectors.

CONTENT AND STRUCTURE

- Expert-led training sessions on emerging technology topics.
- Interactive workshops and practical exercises to enhance learning.
- Access to real-world case studies and industry applications.
- Networking and mentorship opportunities with leaders in technology
- Final assessments and certificates of completion for participants.

METHODOLOGY

- A mix of **theoretical and practical training** in digital technologies.
- Hands-on **projects and exercises** for real-world applications.
- Self-paced and instructor-led learning models (to be confirmed).
- Virtual and in-person engagement opportunities.

TARGETED AUDIENCE
