BACKGROUND

To commemorate the World Day of Social Justice, CIFAL Saudi Arabia hosted a public webinar featuring leading academics in education, planning, and social development. The session explored how education systems and local development initiatives can contribute to achieving inclusive and equitable social justice in alignment with SDG 16 and related goals.

CONTENT AND STRUCTURE

- Interactive booth with visual SDG materials and consultation space
- Printed handouts and infographics for Arabic-speaking audiences
- Live engagement and Q&A on SDG relevance to orphan and youth development
- Registration of interested parties for future collaboration opportunities

TARGETED AUDIENCE

- Educators
- University students
- Policy professionals
- Members of the general public with an interest in equity, development, and justice
