BACKGROUND

The English Speech Contest provides students with a platform to develop public speaking, communication, and leadership skills. As part of CIFAL Shanghai's work on youth empowerment and intercultural dialogue, the event promotes confidence building, critical thinking, and international awareness among young participants.

EVENT OBJECTIVES

- Support youth development through public speaking and communication practice.
- Promote English language learning and cultural exchange.
- Encourage creativity, confidence, and leadership among students.
- Provide opportunities for recognition and encouragement through competition.
