Be among the first to explore our brand-new [MA in Climate Change, Energy and Humanitarian Action](#)! In an era of intensifying climate emergencies, rising energy insecurity, and humanitarian crises — what kind of leadership does the world need, and could it be you?

Join UNITAR and Loughborough University for an open webinar on the Master's in Climate Change, Energy and Humanitarian Action (MCEHA) — a pioneering programme that blends academic excellence, policy relevance, and real-world impact.

Whether you're a working professional or aspiring global changemaker, this session is your opportunity to meet the faculty, ask questions, and shape your path toward climate and humanitarian leadership.

- What makes this Master's unique in climate, energy, and humanitarian studies?
- How does it prepare students for high-impact careers in NGOs, government, and multilateral institutions?
- What's the admissions process for 2025, and how can you begin your journey?
